QUESTION:

What can make your Police Department more mobile, visible and increase the interaction with the people in the community?

ANSWER:

A Police Segway.

Studies have shown Police using horses, dogs and Segways all have many benefits. Horses and dogs also come with disadvantages as you are aware. The benefits of a Police Officer using a Segway include:

- mobility
- high visibility (the sightline is 3-4 times greater)
- a quicker response time
- a sense of being more approachable
- people feel more secure and safe
- less fatigue by the officer gliding
- the ability to carry first aid, water, traffic control supplies and more.

Your Police Department can now join the more than 1,500 Police and Security Departments that use Segways. Michigan Segway Rental has a rental program for Police, Fire and EMS Departments. We provide training, maintenance, pickup and delivery. We offer one day rentals and up to a 24 month lease as well.
